

Unlock up to 10% cost savings with a locum tenens invoice analysis

Qualivis

Are you paying too much for your locum tenens staffing program and looking to streamline costs and expenses? Healthcare organizations commonly report inflated bill rates, uncapped travel expenses, unfavorable permanent conversion terms and junk fees on invoices. If the agencies you work with aren't actively reducing your locum rates and utilization, consider a better workforce solutions partner.

Did you know that Qualivis offers a complimentary locum tenens invoice analysis to uncover potential savings?

You provide

1-12 months

Invoices for labor and/or expenses for locum tenens services – NDA is available and preferred
